Coming off a high last week when we faced the possibility of being down 0-3, our swimmers were forced to step their game up and we emerged with a victory. This past Saturday, our swimmers came out with the same amount of energy and intensity and we were able to control the meet until the home stretch—the IMs. The decibels were through the roof during all of our close races, as both teams tried to urge their swimmers on. It was during the IMs unfortunately, that the MVP dolphins mounted a charge and crushed the All-Stars! Despite the loss 273 to 265, we had one of our most friendly, well run swim meets of the season. Our parents, as well as the parents from the visiting team was very understanding of the situation we faced and responded to our needs. Many swimmers had at least one best time during the meet. Our 9-10 girls and boys as well as our 11-12 girls and boys continued to dominate in the category of swimmers making the most improvement at each meet. Overall, 42% of the times achieved among all our swimmers were their best times this season! Swimmers, you are starting to peak at the correct time for the season. Hang tough swimmers. Let's endure to the end. We need all swimmers on board as we make our final surge for the finish line over the next two weeks. Swim Strong! Finish Strong!

Meet Preview—BBT @ TP

Our last dual meet of the season will be against the visiting dolphins from Belair Bath and Tennis. From this year's standing so far, the A division champion will be determined at the divisional meet and I am sure that the dolphins will be looking to get some momentum going into the meet. In the past, we have always had an extremely competitive meet against the dolphins, whether is was away or at home. They always seem to be geared up for us and for the past two seasons, our swimmers have always answered with an even higher level of intensity. This upcoming weekend will be no different. Fresh off their loss to Theresa Banks they will be seeking some revenge on us. Swimmers, let's get fired up! Let make our last home meet of the season a memorable one. Give it all you got this weekend. No holding back. Its time to kick some bubbles! Go TPDC All-Stars!!

OUR FEATURED HIGH SCHOOL GRAD

Kemi Watson

Parent- Angela Watson

"This is not the end.
It is not even the beginning of the end.
But it is perhaps the end of the beginning"
Winston Churchill

For the last decade, Kemi has been the name that every swimmer on the TPDC team got to know! Kemi has been the staple of the team ever since my family joined the TPDC family 9 seasons ago. We are all very grateful to Kemi and her family for their dedication and all they have done over the years to aid the team in becoming one of the top teams in the Prince Mont Swim League. Even though Kemi was away from the team for a couple seasons, we were happy when she decided to return home to the TPDC family and welcomed her with opened arms. Although Kemi graduates this year from high school, she is still eligible to return to the team next season. We wish Kemi all the best as she reaches for greater heights and pursues her dreams!
Congratulations!
